## NMSU Bids and Request for Proposals

NMSU is in the process of transitioning to a new bidding/proposal system.

- **Prior to February 19, 2018** — Sourcing events (bids/RFPs) posted prior to February 19, 2018 can be at the **Online Bidding System**.
- **On or After February 19, 2018** — new sourcing events (bids/RFPs) initiated on or after February 19, 2018 will only accept **online bids/RFPs** through the **Pistol Pete's Bidding System**.

 **Pistol Pete's Bidding System**

For assistance with **Pistol Pete's Bidding System**, contact [contracts@nmsu.edu](mailto:contracts@nmsu.edu) or call (575)646-2916.

The new sourcing event site requires potential vendors to register in the **Vendor Portal** before you can respond to any posted events. All Bids/RFPs must be submitted online in the new system. The link to register is <https://solutions.sciquest.com/apps/Router/SupplierLogin?CustOrg=NMSU>.

Suppliers are limited to one account; however, you can associate multiple users to your account. If you need assistance with the registration process please contact [vendors@nmsu.edu](mailto:vendors@nmsu.edu) or call (575)646-2916.
